LEARNING SERIES AND AWARDS GALA

Thanks to our Platinum Sponsor

WHAT TO EXPECT

The Learning Series

Prepare for an enriching 1.5-day event comprising 18 professional development sessions, 3 interactive workshops, and 2 networking sessions, all centered around pragmatic discussions and real-world solutions within the following topics:

**Innovation and
future trends**

**Sustainability in
Governance and Policy**

**Human Resources
and People Analytics**

The Awards Gala

Because environmental initiatives and commitment need support and recognition, our ECO IMPACT awards celebrate those who had impactful achievements in their professional career, local community, and work environment in the past 18 months. Anticipate an evening filled with celebrations, heartfelt moments, and exceptional cuisine, all accompanied by a distinguished keynote speaker.

SINCE 2017, ECO Canada's annual event has been a cornerstone in uniting Environmental Professionals and organizations, while also attracting thought leaders from across the industry. This conference encompasses an award ceremony and a comprehensive learning series, with the purpose of highlighting both the opportunities and challenges within the industry and celebrating those who are actively making a positive impact through their work.

CONNECTION, COLLABORATION, CELEBRATION.

ECO IMPACT 2023 AT A GLANCE

250 Attendees

4 Interactive Workshops

16 Live Learning
Sessions

6 Prestige Awards

WHY ATTEND

"I have almost never attended a conference so fulfilling with clear directions as to what impact I should strive to make in the lives of others." —2023 ATTENDEE

Join us for an experience filled with insightful discussions, engaging presentations and interactive workshops led by industry professionals around this year's theme- *Retrofitting the workforce: Empowering Environmental Innovation*.

- ➔ **Gain valuable knowledge and insights from our expert speakers.**
- ➔ **Connect and network with fellow EP®s and organizations from across the country.**
- ➔ **Celebrate the achievements of impactful environmental professionals, organizations, and communities across industries and Canada during the Awards Gala.**
